1. At this time we do not accept policy existence traces for commercial rental properties or nursing homes.
2. Successful trace results will include the active policy insurance carrier, policy number, policyholder and BI/PD limits.
3. A 20% discount will be applied to all policy existence traces not requiring policy limits disclosure.
4. Please note, our policy existence traces require a significant amount of time and research. If your firm wishes to cancel a policy existence trace after it has been submitted and research has begun, a one hundred (\$100) fee may be billed.
